2018 Walk for Life

The Pregnancy Care Centre

is an Edmonton, Christian non-profit, charitable organization. Through our trained peer counsellors we provide complete and accurate education on options surrounding pregnancy. We provide pre-natal and parenting education, maternity clothing and baby clothing.

Our **WAIT! Let's Talk Sex** program is an abstinence based program for junior and senior high school students. This program is counter-cultural in it's much needed message of sexual abstinence in today's sex saturated culture.

The Abortion Recovery Centre

companions those grieving from their past abortion; helping individuals step into wholeness and freedom in Christ. All our programs are free of charge.

Why Walk?

Today, more than ever before, the need to walk in truth and celebrate life is crucial!

- 6 in 10 teens who have had sex, wish they had waited.
- Over 1/3 of all pregnancies are unintended and close to 1 in 4 of these are terminated.
- 1 in 3 Canadian women will have had an abortion by age 45 (1 in 4 within the Church community).

With every step you take in the **Walk for Life** you will be joining hundreds of others in funding the needed programs and services that make a difference for life.

Choose a 5, 10, or 15 km route with your friends and/or family.

Challenge yourself! Pledge a goal of how much you will raise for this ministry.

Challenge others to join you or support you.
